Open Morning and Afternoons

We would like to invite you all to come and have a look around the schools for our Open Mornings and Afternoons.

These are opportunities to have a look around the schools to see what goes on during an ordinary day.

We are very proud of the range of learning and the opportunities our children have, and we are really keen to share this with you.

You can come along to the sessions at either or both schools, and we will be really pleased to see you. You are welcome to bring along family and friends – the more the merrier.

The Open Sessions are at the following times:

Thursday 23rd June, 10.00am - 11.00am

Wednesday 29th June, 2.00pm - 3.00pm

Thursday 14th July, 10.00am - 11.00am

They are happening in the two schools at the same time, so you will need to plan two visits to see us both.

Discover something amazing if you look up when you come into the Infant school next week,

this is part of something
MUCH bigger.

Discover the song... The first version of our school song was heard this week at Junior and Infant Assemblies. Musicians Paul and Marilyn from the Wrens Trust came to teach us the tune.

The lyrics are firmly based upon the ideas of the children as is the tune. Their melodies can be heard in each verse. Here is a preview of the chorus:

There's a place we're safe to stay

Have adventures every day

It's a place of education.

And the learning never ends

It's the Junior School Summer Fair next Friday, 4.30pm – 6.00pm. Don't miss it!

On Saturday 11th June, several excited members of staff from the Junior school made their way up to Exeter Racecourse to take part in the Colour Run to raise money for Children's Hospice South West. All staff managed to complete the 5k run in under 40 minutes and they were all successfully covered in paint from head to toe! Great fun was had by all and so far the Stoke Hill team have raised almost £500 for Children's Hospice South West.
