Hello Again Everyone,

You have been busy learning at home I can see, and your teachers have been really glad to hear from you.

Can you do something for me this week? I have 2 questions that I'd like you to think about, and then tell your teacher your ideas.

Question 1 What do you really enjoy learning about at school?

Question 2 What kind of learning would make our school school day even better?

Tell us using words or by drawing a picture with helpful labels. I wonder what ideas **you** will share with your teacher?

What a
great cat
badge!

If you are stuck, to **get some resources**, you will have look around your home to see what you can use! You can still make a hat or make a badge with whatever you can find. Just have a try...

The good idea this week comes Mrs Ford 'if you are walking past school during the day, come up to the Nursery front door and in the tall stack of rainbow drawers you can choose a lovely new reading book'.
