Federation Behaviour Principles

We make sure that children feel safe and happy so that everyone can truly shine

The Federation value above is reflected in our Behaviour Principles:

1. Adults will be calm, consistent and fair
2. We will help children learn how to be ready, respectful and safe
3. We will use restorative questions to understand and improve behaviour that is disrespectful, unsafe or impacts upon a child's readiness to learn
4. We expect excellence from each other and will celebrate behaviour that goes 'above and beyond'
5. We behave with equity and equality
6. We will reprimand children in private and praise them in public
7. Our routines underpin good behaviour
