

Stoke Hill Federation Newsletter

Friday 29th June 2018

Online Safety

We have signed up with 'Patreon', a service that will be providing the Federation with regular online safety videos to share with you. These will help you gain an insight into popular YouTube sites and online games.

This week's eSafety video highlights the free game, 'Doki Doki Literature Club'. It's in the newspapers this week because of its self-harm and sexual themes.

<http://www.dailymail.co.uk/news/article-5886599/Father-believes-death-son-15-linked-Doki-Doki-Literature-Club.html>

The post is below to inform parents of the dangers of this programme and what to do about them. This is also all included in the video here:

Federation Home Learning Task

With the newsletter, you will be receiving details of the final Federation 'Home Learning Task' of the school year.

One of our Early Help for Mental Health '10-a-Day' strategies is to **'do something that you are good at or enjoy'**.

Linked to this, the home learning task will involve your child finding a way of sharing something that they like doing with the rest of their class.

This will maybe inspire others to try something new during the upcoming holidays.

We're looking forward to hearing all about the children's hobbies and interests.

Thank you to everyone who came to the Junior School Summer Fair last week, and to the PTA for organizing everything. We raised nearly £2000 to spend directly on resources that will benefit all of our children.

We cannot believe the fun and the learning we have had already with our Water City.

For the children it has been an almost beach-like experience, with warm sun shining down on pairs of little bare feet paddling and just enjoying the water with each other.

Teaching is inspiring...
Water City is inspiring...
and maths lessons about capacity will never be quite the same!

Don't forget the

INFANT and NURSERY
School Summer Fete

Friday 29th June – is on
TODAY!

5.00pm-6.30pm

Please come along and
join in the fun

Junior School Children's Fundraising Event

One of our Federation Values is that ***'Children learn that it is not just what we can take from the world but what we contribute that is important'***.

On Tuesday morning over 50 children set up stalls in the hall to raise money for charities that mean a lot to them. The rest of the children in the school then had the opportunity to visit the stall and spend their pocket money in support of their friends.

The children raised nearly £300 in total for the following charities: Cancer Research, Paignton Zoo, PDSA, RSPCA, St Petrocks, Send My Friend to School, Meningitis Research, Womens Aid, Little Princesses, The British Heart Foundation, Tommys, Hospicecare, and the Shoebox Appeal.

We are really grateful to everyone who helped and supported in any way, including providing resources for the stall. It was brilliant to see the children taking the time and trouble to think about others and to find a way to help them.
