

# Stoke Hill Junior School

## Update 11.9.20

It's been lovely to welcome everyone back to school after the extraordinary disruption of the last few months. The children have been brilliant, and have adapted really quickly to the new procedures that are in place to help keep everyone safe and healthy.

There are bound to be tweaks to the way we work over the coming weeks, and we will keep you updated about any changes that we need to make.

### Start and end of the day

Please make sure you are maintaining social distancing and keeping pathways clear while waiting at the start and end of the school day. There is plenty of space on the school site, and no need to congregate in groups. Thank you for sticking to the staggered timings. This has made it much easier for us to keep the children in different year groups separate during the school day.

### Symptoms

If your child has any of the following symptoms you need to keep them at home and get them tested for Covid-19:

- ***A high temperature***
- ***A new, continuous cough***
- ***A loss of, or change to, their sense of smell or taste***

You can find more detailed information here, which you may find useful:

<https://www.nhs.uk/conditions/coronavirus-covid-19/symptoms/./>

Again, it's great to see you all again. Have a lovely weekend.

Best wishes

Roy Souter
