Letter 6

For a Lovely Person at the Chiro Home

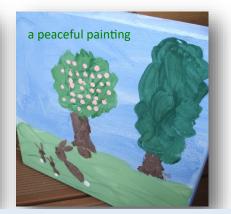

a mystery 'parcel'.

a sweet smelling

lavender ba

a paper chain rainbow to make everyone smile

Hello Everyone,

You have been amazingly creative and kind this week, as you have thought of the elderly residents at the Lilacs and The Old Rectory retirement homes on Old Tiverton Road. What happy surprises the nurses, the carers and the old people will receive as they open a HUGE box of your things,

If you earnt some money doing 'jobs', made a gift, wrote a card or a letter or drew a picture, can you remember how you felt when you were doing it? Did you have a warm, happy feeling in your tummy somewhere? Did it feel good to know you were being kind and were helping to someone else?

'In a world where you can be anything - be kind'

If were at school and in assembly maybe we would try an learn this saying together, perhaps you can learn it at home?

Thank you for your contributions, have a happy half term ~ from Mrs Mackay

~ plus money pledged which will be used to buy some 'thank-you' treats for the staff at The Lilacs and The Old Rectory ~

This weeks good idea was from Miss Taylor who is beginning to gather everything up! She will go shopping for 'thank-you' treats and make two very special Stoke Hill Infant and Nursery deliveries over half term.
