

Let's Practise at Home

Maths

Number bonds
to 10 and to
20

Target: to instantly recall number bonds to 10 and 20.

Practise activities:

1. Investigate all the different number bonds to 10 and all the number bonds to 20.
2. How many can you find?
3. Do you spot a pattern?
4. How do you know you have found all of them?

Maths

Number bonds to 10 and to 20

Target: to instantly recall number bonds to 10 and 20.

Practise activities:

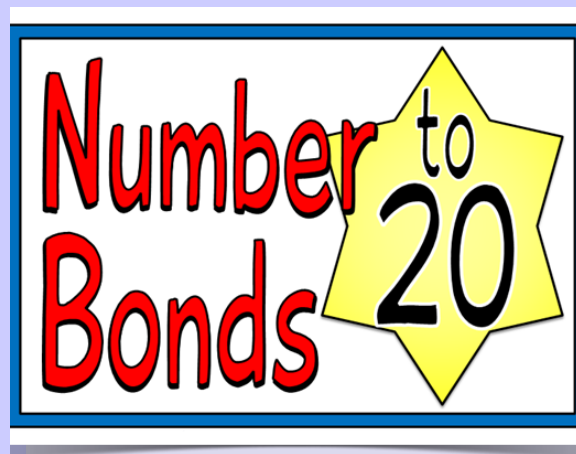

1. Once you have instant recall of all the number bonds to 10 and 20, you could learn number bonds for different numbers e.g. 6,7,8 and 8 and 11, 12, 13, 14, 15, 16, 17, 18 and 19.
2. Can you make up some word problems using number bonds to 10 or 20?

'20 people were on the bus, 7 people get off at the hospital. How many people are still on the bus?'
