

Learning at Home

Letter 2

17.4.2020

Maria's
weather
diary

Hello Everyone,

How are things going with you this week? Are you getting a bit more used to learning at home with your family? Make sure you talk to them about what is going well and what you need help with, just like you do at school.

Rain today, maybe sunshine tomorrow for everyone perhaps, so enjoy some fresh air and the beautiful world full of SPRING!

I wonder if everyone has e-mailed their teacher yet? I hope so. We are missing seeing you and we would love to hear from you and see your photos, we'll reply when we can,

~ from Mrs Mackay

stronger

Remember what we do if we get stuck with our learning? We 'think things through'.

Remember you can ask the grown ups in your home to help you, they really want you to do some great learning whilst

you are at home. So never give up, keep on trying everyone ~

Ethan's Ice
Sculpture.

This good idea comes from Miss Taylor, and it is to write a 'message of kindness' This is what children in the Foundation Stage have been doing this week. Why not try this too?
