

Friday 29.1.21 **Maths** WALT draw and interpret a block graph.

Use the tally chart to carefully complete this block graph. Colour in the correct number of blocks to show the number of shapes in the picture. Use a different colour for each shape.

Then use your block graph to answer the questions.

A graph to show the number of shapes in the picture.

1. How many **pentagons** are there? _____
2. How many **squares** and **oblongs** are there? _____
3. Which 2 shapes have more than 5? _____
4. Which shape has the smallest number? _____
5. How many more **hexagons** are there than **octagons**? _____

Squares

2

Oblongs

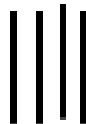

6

Circles

2

Pentagons

4

Hexagons

6

Triangles

3

Octagons
