

## The Federation of **Stoke Hill Schools**

26<sup>th</sup> June 2017

Dear Parent/Carer

The lunch arrangements at Stoke Hill Junior School are different to the Infant School and information on this will be explained in our Induction Pack which will be handed out on Sampling Day.

### **SCHOOL LUNCH**

However, for Sampling Day only, if your child requires a school lunch this can be ordered via their new class teacher during registration, you will not need a white lunch ticket, children can just tell their teacher what they would like for lunch.

Can we please ask you to discuss your child's meal option with them? Details of the menu for Sampling Day are listed below. There will be no charge for this.

The meal options for Sampling Day are detailed below:

<b>Main &amp; Vegetarian Option:</b>	Pasta pot with a selection of toppings
<b>Light Option:</b>	Jacket Potato with Tuna
<b>Dessert:</b>	Fruit sponge and custard, fruit yoghurt or fresh fruit salad

### **PACKED LUNCH**

Children who bring a packed lunch should take this straight to their classrooms and the class teachers will tell them where to store them. The children do not need to bring their PE kit or any pens/pencils, etc. as we will supply everything they need during the day.

If you have any queries, please do not hesitate to contact Melissa Barton, Federation Administrator on 01392 667835 and she will endeavour to assist you.
