'Lets go Wild'

Great learning and artwork from home and school this week. We hope you have enjoyed the project and that the rain yesterday brought beautiful snails out of hiding for you to look at! Hedgehogs have been harder to spot but with drawings like these, perhaps that helps you imagine them living close by? We all hope that you have enjoyed your learning pack or time at school and are getting ready to **'Go for Gold!'** next week when our 2nd whole school project begins.

Website

Don't to forget to send your teacher a photo of your learning at home this week. They will upload it to your class 'Gallery' for everyone to see.

We are all looking forward to finding out how you have 'gone wild' and discovered more about the beautiful creatures that inhabit our planet.

Thank you to Jack, Sarah, Alicia and Ella for this week's inspiring pictures.
